# The ACHPER Advocacy Kit

*a resource & guide for educators to promote health & physical activity*

*ACHPER has developed a professional Advocacy Kit to promote the key learning area of Health and Physical Education. ACHPER believes that an educated nation comprising active and healthy young people is the best investment that can be made for the future. Educating the public is a key objective of the Kit.*

*The Kit will:*

- *arm you with the research needed to argue your case for health and physical education;*
- *provide strategies needed to lobby effectively at school, community and government level; and*
- *assist you in conducting workshops and giving presentations.*

*This will assist you to:*

- *find out which Australian leaders support health and physical education;*
- *have the most up-to-date statements on exercise CHD risk factors;*
- *have outlines of state and territory educational policy statements and any relevant projects; and*
- *be provided with down-to-earth ideas for promoting physical activity.*
