Primary Physical Education 101

Are you a primary generalist teacher who is new to teaching physical education?

This program is designed for teachers who would like to increase their skills, knowledge and understanding in primary physical education.

The day will focus on –

→ Establishing a positive learning environment
→ Effective organisation and management in physical education
→ Teaching essential movement skills and game play
→ Essentials of planning your physical education program

This foundation program will have participants involved in a full day of professional learning and networking with expert teachers in this field.

Throughout the day ACHPER Victorian Branch Professional Learning Leaders will discuss with participants how ongoing professional support can be provided.
